Folk/rock, rock/folk, good songs with twinges of country and funk, great lyrics. 10 MP3 Songs FOLK: Folk Pop, POP: Folky Pop Details: John McVey is an extraordinary songwriter and performer. He has won the Kerrville New Folk contest and been a finalist in many others. He's been named the National Academy of Songwriters "Acoustic Artist of The Year." He's toured internationally and wowed audiences with his forceful guitar playing and incredible voice. But the songs ... these are gems. Don't miss a chance to see a performance, you won't be disappointed. And this CD is among the best written, best performed, best produced and best sounding CDs you'll ever hear. McVey does a bit less performing these days. He's now working as a Producer/Engineer at the famed Coupe Studios in Boulder CO. As we might have expected, his production skills are amazing. He's carried all of his artist experience forward and has worked with some of the best people in the industry, bringing creative arrangements, incredible sounds and (mostly) heart to all of his studio projects. But this won't stop him making his own CDs! A new one is in the works and will be available in the not too distant future. For more information, please visit johnmcvey.com
