On these songs I play all the instruments and sing all the songs. It's an eclectic mix: from a metaphysical acoustic style, to humor, to love songs, to guitar rock, and back again. 12 MP3 Songs FOLK: Folk Pop, POP: Beatles-pop Details: This is a collection of original songs that I copyrighted in 1988 and recorded in 2002. I play all the instruments and sing all the songs. It's an eclectic mix: from a metaphysical acoustic style, to humor, to love songs, to guitar rock, and back again. The whole thing is Philosophy Rock, except tracks 3, 4, and 5. "The Meaning" is a good example.
