I am now performing all over the world, now in Germany most often , from there into Paris , Spain, England, and all other countries. My music have changed since I'm writing now, which brings me more pleasure because everybody at some point started sounding like everybody. So I allowed God to set me down and work through me. A friend wrote this about me. a Fan wrote this about me : After setting in a concert with this Lady every pain in my body and every worry in my mind left. She's a ball of firer , and and she comes from the heart. I call her the "Voice of the Soul. Sining on stages with Weather Girls, Liza Minnelli, Michael Bolton, Mighty Clouds of Joy, Patti Labelle, just to name a few. I now have a song on the D.J. Sammy project " Heaven" which has sold 600,000 copies in the U.S., Africa, and England. My song is called " Take me back to heaven" I was one of the writers on this song. I beleive God has a plan for me to sing all over the world. My call as an Evangelist has surely taken me there, but now it's time to be even bigger and better. I came out of Bethel A.M.E. Church , Baltimore, Md. Rev. Frank Reid, after 14 years. I was in Ministry there as ordained Minister from 1988 until 1993. I answered my call from God to go out into all the world. Surley any bosy who know's anything about answering a call from God know's it's not all peaches and creame. There have been a lot of bumps in the road, but I'm not the first. So I ask that you pray for me as I do what I can do , but need God to send the experts in my life to move me forward. This project was my first of producing myself and I learned a lot. I am not working on the second project but again need your prayers. This C.D. " Do you wanna know him is good. You won't be sorry if you purchase it, it blesses your heart.
