A polished compilation of contemporary and traditional gospel music featuring male artist based out of North and South Carolina. 10 MP3 Songs SPIRITUAL: Contemporary Gospel, URBAN/R&B: Soul Details: On February 4th of 2006 a beautiful and emotional event took place in the Asheville Civic Center Thomas Wolfe Auditorium. Men In Praise a celebration of heritage, music and dynamic praise made a difference in the lives of its patrons and sponsors. Spirit filled and anointed this concert included ministers and artist from North and South Carolina. This was not just any other night, this night was ordained and aside for the saints of God to experience the presence of the Holy Spirit. The event started out as the brain child of Horace J. Maxile and Terry Letman directors of M.O.D.E. (Musicians Ordered to Distinguished Excellence) and turned out to be a night of incredible praise and adoration. Almost immediately after the concert was over M.O.D.E. and its sister company PROtainment decided it was only appropriate that a recording be created to continue the exaltation, pride and optimism experienced by those involved. Therefore after approximately five months of praying, planning and tireless hours of recording, Men In Praise 06 was birthed. Including works from Elder Carluse Baird, Pastor Bron Jacobs, Reverend Dexter Cason, Karle Mapp, Reverend John W. Brewster, Reverend Keith A. Ogden, Reverend Dean Logan, Terry Letman, T. J. Blaze, Reverend Odell Suber Jr., this recording is a timeless musical creation inspired by God. Thank God M.O.D.E. had the insight to video record the Men In Praise concert. As though receiving just the Men In Praise 06 CD was not enough, at the behest of the Holy Spirit the decision was made to offer the DVD of the Men In Praise concert FREE as a Limited Edition match set. So for a limited time they not only include the inspirational recording, but for the price of just one CD you receive a FREE DVD of the MIP live gospel celebration.
