One stop shopping for music lovers, good hiphop, rock , punk and funky hits. 18 MP3 Songs ROCK: Hard Rock, HIP HOP/RAP: Alternative Hip Hop Details: Self-named one man boy band, this guy is far from the sound that makes you want to punch Justin Timberlake in the face. With off the hook let it fly attitude that manifests itself inside of the music and passes on to the listener in a "let's ditch school and get high on something" kind of way. Raised on rock and rap, Porkfoot delivers with album after album of introspective music that to him is an audio diary of the mad journey life can take you on.
