Carl Lowendorf and Amy Day. In the tradition of the finest wedding singers the world over, bridging the gap between analog and digital, Pornado comes roaring softly at you with songs of love and longing so impassioned as to make you want to grab whomever it is standing next to you, make sweet, sweet love all night long, then cry yourself to sleep praying that they'll never leave you...or never let you go. But, in the end, you'll be sitting in your room alone, your own genitals in your hand, writhing from the pain of a love you've never even had. And there will be but one thing that you can do... ...You can dance.
