[DOWNLOAD HERE](#)

Electronic blend of melodies, beats, and rabbits. 7 MP3 Songs in this album (26:47) ! Related styles: ELECTRONIC: IDM, ELECTRONIC: Chiptune People who are interested in Squarepusher Fischerspooner should consider this download. Details: San Francisco, California - 8 September 2008 -- Mark Sandstorm and Tidy Kid proudly announce the release of their single, "Fluffy Rabbit," with a remix competition. Remix stems can be found here: [dfaultrecords.com](http://dfaultrecords.com) Recorded at Sandstorm's D-Fault Records studio during Tidy Kid's World Tour 2008, "Fluffy Rabbit" marks the first time the two artists have collaborated on a recording. To commemorate the occasion, the pair are holding an Official "Fluffy Rabbit" Remix Competition. As the name implies, listeners are invited to make use of samples from the single to create their own mixes of the song and submit them for consideration. Four winning tracks will be selected to be included on a limited-edition compact disc/mp3 release. In addition, the winning mixers will receive prizes provided by SKET-ONE. Complete contest rules, sample tracks, and submission instructions can be found at [tidykidmusic.com](http://The contest runs through 30 September, 2008. Winners will be announced on Tidy Kid Music (<a href=)) and D-Fault Records ([myspace.com/dfaultrecords](http://myspace.com/dfaultrecords)). The original "Fluffy Rabbit" single can be heard today through Tidy Kid's MySpace page: [myspace.com/tidykidmusic](http://myspace.com/tidykidmusic)

Sandstorm (Mark Sandstorm) is a California raised musician that has been performing, teaching, producing artists, and pushing the envelope for over 15 years thus helping him to be discovered by the legendary producer Robert Margouleff. Song samples, performance dates, and booking information can be found at his web sites: [d-faultrecords.com](http://d-faultrecords.com) [myspace.com/sandstormrecordings](http://myspace.com/sandstormrecordings)

Tidy Kid (Marly Uyma Luske) is a self-described experimental musician that divides his time between Australia and New York when he isn't touring. Tour dates and song downloads can be found at [myspace.com/tidykidmusic](http://myspace.com/tidykidmusic). He is also a record producer for a large variety of bands through out Australia and the US.
