Piano driven songs that go from sad to satirical, inside to outside, and dance to dirge as quickly as my mood changes. look out. 11 MP3 Songs POP: Quirky, ROCK: Modern Rock Details: Jon Steinmeier is a Chicago based songwriter, teacher and rocker. His "Star Wagon" record sold an all time record eight hundred thousand billion zillion katrillion copies in under 7 minutes in 2001, forever engraving Jon's name into the imaginary Rock and Roll Hall of Fame for being almost totally super awesome. "Laugh and Lie Down" is Jon's most recent and musically diverse endeavor, combining elements of piano pop, techno, rock, and lo-fi with brutal honesty and creative satire. Jon's genre-jumping songwriting and creative tone and texture choices create a specific vibe per track, and a record that is engaging and character driven. As a multi-instrumentalist and theory junky, Jon plays all the instruments on this record, including piano, organ, drums, bass, and melodica. When not writing and recording his solo material, Jon continues to tour with Annie Quick from Stickman Jones, The Detholz, Paris Delane and Tye Dye Skye, and Noah Riemer from Ticklepenny Corner. check out more about Steinmeier and his other projects at steiny.com
