"THE PREVIEW" GANGSTA AFFILIATED, (the album), was made as hardcore as the streets and community the FAM grew up in. After 9/11 there was still violence, drugs, and turf wars still going strong in his, and, almost every community in the US. Everyday is just another day in the hood. Trying to stay alive and survive. Gangsta Affiliated is the FAM'S way of relating to everyone who lives in the hood, and, survives in the streets, the truth. It's the way of life for many. It's all real! The streets is real. Let's face it. There's a little "Gangsta" in all of us!!! Street definitions of Gangsta and Thug. Gangsta - The lead authority to his crew. The one who leads. The one who demonstrates strength and survival. Most times, doesn't look like a gangsta!) Thug - The one who just don't give a damn. Respects those who respect him. What cops call thugs. Career criminals! YEAH RIGHT!!!!!! THE FAM MEMBERS: STIZZ MONEY MAC KING D'BANGA LIL DEMON STICKY ICKY
