The singer-songwriter was born and raised in New Mexico, but left for Panama City Beach, Florida in the summer of 2006 to play in a rock band called Queen Annes Revenge. The humid air did not sit right with Brewer and inspired him to begin writing his album Old Dirt Road, which he recorded at Square One Studios in Florida. Some of Brewers influences for the writing of the album include Iron and Wine, Dustin Kensrue, Johnny Cash and Ryan Adams.
