

Pyke's Peak - Chris Owen

[DOWNLOAD HERE](#)

Pyke thinks he's found the perfect way to keep his two best friends around; buy a house they can all live in. The trick will be getting Laurel and Shea to move in. His buddy Shea gets with the program pretty fast, the famous Shea gut instinct telling him that it will be all right. Laurel is not as convinced that she needs to move in, let alone start a deeper relationship with Shea and Pyke than she already has. The boys seem to be a package deal, and she's not sure they can all be happy together. As they work on the house together, though, Pyke hopes he can convince them all that their place is together, in the coolest house any of them have ever seen.
