The most trusted guide to the understanding, diagnosis, and treatment of urologic diseases and disorders--completely updated! A Doody's Core Title! This is an excellent book due to its timeliness with new material, user friendly style, and the unique way it accommodates medical students, urology residents, and general medicine physicians who have a peripheral interest in urology issues. This is one of the better books for this audience. With the advances in urology since 2004, the new edition is definitely welcome. -- Doody's Review
