"Here's How You Can Instantly Gain an Almost Unstoppable Edge On Your Competition, Increase Your Sales Conversions, and Build Your Profit Margin to Massive Proportions with This Incredibly Powerful Secret Tool" In Less Than 60 Minutes From Now You Can Be Creating Your Own Money-Making Software without Knowing a Single Thing About Writing Code or Without Having to Hire One of Those Expensive Programmers. Dear Fellow Marketers, It's no secret to anyone that you can rake in incredible profits selling software. I'm talking millions... and perhaps even billions. Obviously not everyone is capable of creating windfalls of this magnitude but you get the picture. And, of course, not everyone has the technical skill and knowledge to create software. The development costs are staggeringly high... as in hundreds of thousands of dollars for some software applications. Not to mention the time it takes to write the program. Who has that kind of time, money, or knowledge? NOT MANY... Imagine, though, if you could just skip all the rigamarole that comes with research, development, programming, packaging, etc. - and just get down to making software! Would that be a riot? As utterly crazy as it sounds it's not impossible... in fact, it's down right easy with my new program called... "Software Maker Pro." "Imagine Being Able To AUTOMATICALLY Create Professional Looking Profit-Pulling Software Applications In

Just 9 Incredibly Simple Steps... all in About 30-60 Minutes!" What if you could have a professional software designer on retainer for you 24 hours a day 7 days a week that could create software applications whenever you wanted all for just a one time low payment? Imagine the money you could save or better yet imagine the potential profits you could bring in by creating and selling your own software! Sound like a pipe dream?... Well its NOT. And in a minute Ill show you exactly how you can get this amazing software generating tool for your own use. Do you have thousands of dollars just lying around to hire a programmer to write code for your next software idea? I would venture to say probably not. Do you have the time to learn programming language and write the code yourself? Maybe if you dont mind waiting ten years before youll be any good at it. With This Mind-Blowing Marketing Tool You Could Be Saying Good-bye to Failure FOREVER! Now imagine this Youve just come up with an idea for a software application that could significantly help solve a nagging problem in your niche. What do you do next? Do you just sit there wishing you could find someone to design the software for you, do you wallow in self pity because you know you are about to miss the profit boat again simply because you dont have the resources to make your idea a reality or do you open your software-generating program, put in the recipe and whip out that new software within the hour! Personally, I prefer the latter. Its already a proven fact that people not only love software, they WILL pay for it. Most folks are lazy (and practically EVERYONE is pressed for time) and if you can provide a legitimate alternative to work theyll jump all over it. Now Theres An Affordable Way to Create Your Own Software Without Spending a Fortune! Why should only a select few have the chance to make their own software? Everyone should have a fair chance to create and sell their own software without going into eternal debt or maxing out their credit cards. Thanks to this exciting design in software technology, you can make practically all the software you want instantly... at the push of a button. You may never have to waste your time or money again. This powerful new software will generate as many applications as you want you are only limited by your imagination. New to Internet Marketing? That fine too! Because Software Maker Pro is designed so even the newest of marketers can use it without difficulty. There are no scripts or codes that you have to enter and figure out on your own. You wont spend hours on complicated programming tasks or writing code. Just pop in a recipe and voila youre just a few clicks away from creating your very own software application any time you want! Plus, weve included an easy-to-understand quick start guide that will show you exactly how to get the most out of your software maker and maximize your income at the same time!

You'll truly be amazed at all the things this one piece of software can do. Here Are Just A Few of the Virtually Countless Ways You Can Benefit From Using Software Maker Pro Unlimited Software Applications at the Push of a Button If you hire a programmer to design your software you get one application period. Not only does it take a long time but all (or a good portion) of your budget goes into development costs before you even have a chance of seeing one dime in profit. Not so with Software Maker Pro. Your design costs are virtually zero (you pay for the software creator one time and your done) and you can create unlimited applications all with just a few clicks of the mouse. Save Time and Money Thanks to Software Maker Pro, you'll no longer have to spend a huge amount of your valuable time creating products. With the hours you'll save you can spend more time on the things you enjoy most. Plus, you'll have more time to focus on the marketing aspect of your business and not the product development phase. Potentially Explode Your Sales and Income With the ability to create unlimited software applications there's virtually no limit to what this can do to your sales and profit margin. Whether you create software to sell or software to give away you can create almost an unlimited stream of potential profit generating applications. No Complicated Scripts or Programming Required You don't have to enter any complicated codes or be an expert programmer to use Software Maker Pro. This is truly a hassle free piece of software. Just pop in a recipe (we'll show you exactly how in the quick start guide), fill out the required information and with the click of your mouse you'll have a ready-to-go software application that is ALL yours.
