Have you read the book by Seth Godin, Purple Cow? Well... if not.. you really should... It talks about being remarkable... but what's important here is, it talks about marketing to the innovators and early adopters of a niche... what Seth likes to call SNEEZERS... The method you are about to discover... focuses on getting the attention of none other than SNEEZERS! "This Method Will Work... No Matter What Type of Site You Have!" Maybe you are an affiliate for someone else's ebook or maybe you own your own products. You can promote digital information products or physical goods like food supplements (or whatever else). You can promote "pay-per-sale" or "pay-per-lead" products. You can have Adsense on your pages - it doesn't matter. What's even better is that you can get traffic from it in as little as 24 hours, the traffic will be super high quality and you will need to do almost zero work! \* It's NOT about spamming the search engines with 1000s of pages of crap! \* It's NOT about spending an arm and a leg with Google Adwords only to wake up the next morning to find out that you didn't make a single sale! \* It's NOT about buying links from "link brokers" or "link farms"! \* It's NOT about "WEB 2.0", "Social Bookmarking" or whatever the new flavor of the day is! \* It's NOT about using classified ad sites to "get

your offer in there"! \* It's NOT about spending all day writing articles hoping that "someone" will "pick them up" and send you some visitors! \* It's NOT about begging Joint Venture partners to "blast your offer" or having thousands of clueless affiliates who won't make a single sale! \* It's NOT about Blogs, Wordpress Plugins or any method that requires you to be technical \* It IS for YOU if you want to start getting traffic to your site in as little as 24 hours (I designed this system for myself first and foremost, because I get very impatient at times) \* It IS for YOU if you are sick and tired of all the changes in the Google algorithms and "Google Slaps" \* It IS for YOU if you are lazy or too busy to "babysit" your traffic method \* It IS for YOU if you are short on cash and don't want to gamble with your money. With this system, you will be making money before you actually pay anything (and again, this has got nothing to do with affiliates or Joint Venture partners) "This Method Has Never Been Discussed Before In Any Other Ebook, DVD or Seminar And I Doubt It Will Be Explained Again!" Well, for the most part, traffic methods are separated into free and paid ones. An example of a "free" traffic method is Search Engine Optimization. You pay nothing when someone clicks on one of your search engine listings. However, SEO can be very complex, technical, time-consuming and unstable - you can wake up the next morning and all your rankings may be gone. That's no way to run a business.
