

A Heroine Of France - Evelyn Everett-green

"The age of Chivalry - alas! - is dead. The days of miracles are past and gone! What future is there for hapless France? She lies in the dust. How can she hope to rise?" Sir Guy de Laval looked full in our faces as he spoke these words, and what could one reply? Ah me! - those were sad and sorrowful days for France - and for those who thought upon the bygone glories of the past, when she was mistress of herself, held high her head, and was a power with hostile nations. What would the great Charlemagne say, could he see us now? What would even St. Louis of blessed memory feel, could he witness the changes wrought by only a century and a half?
