Backyard Projects For Today's Homestead - Chris Gleason

DOWNLOAD HERE

Maximize your outdoor living spaces through creative woodworking! Today's challenging economic climate has motivated many homeowners to stay in their current homes rather than upgrade, and this has sparked a major trend in what is often called the "don't move: improve!" movement. By putting a small amount of money (and some time) into sprucing-up your backyard, you can create a veritable oasis with the projects in this book. Not only can these projects improve quality of life, but building them can also be a great financial decision. Backyard Projects for Today's Homestead includes: 20 illustrated step-by-step projects that are within the skill level of beginning woodworkers Information on choosing durable materials, working with reclaimed lumber, applying finishes appropriate for outdoor wear More than just outdoor furniture - includes chicken coops, decking, gates, etcAuthor: Gleason, Chris Publisher: Betterway Home Illustration: N Language: ENG Title: Backyard Projects for Today's Homestead Pages: 00160 (Encrypted PDF) On Sale: 2011-01-06 SKU-13/ISBN: 9781440305559 Category: House & Home : Sustainable Living
