The "Killer Abstract Backgrounds" V5 package. Brand new V5 collection of 33 Original and Awesome designs in Layered PSD Format... You can use these to improve virtually ANY kind of design. Use them as backdrops for your websites, headers, banners, eCovers, splash pages, videos, inside your software programs, etc.. These back drops will make all of you graphics better. You Get Both Layered PSD Files + "Web Ready" Transparent PNGs To All The Graphics! Highly customizable layered PSD source files: Each of these background images comes in a layered PSD format. That means you can take each element you see in the design, and customize it to your liking. Turn certain effects on and off, mix them up, move them around, resize them, flip and rotate them, change the colors, combine two or more designs together, take just one certain effect like a grid, and add just that one effect to your design, etc.. There's thousands of different ways to customize these graphics. So you can use them as is, and have a nice design ready to go in minutes, or you can customize them and create your own unique designs. You

get 33 high quality, abstract background images, for one low price. You also get layered PSD files so you can customize the graphics fully. AND you get royalty free unlimited use rights to the whole collection. Killer Abstract Backgrounds V5 Comes with Personal Use Rights. P.S. These graphics are in PSD format. So you will need a program that opens PSD files like Adobe Photoshop, Photoshop Elements, or GIMP (free program). *Works on both PC and Mac
