Knight of My Dreams Delilah Devlin Book 7 in the My Immortal Knight series. For love, a man will do anything, even betray his beloved to save her... Vampire Quentin Albermarle's wife Darcy lies in a coma after being savaged by a werewolf. Fearing she might never awaken, or worse, that she will return a maddened beast, Quentin returns to the Cayman Islands, seeking help from the one woman who might be able to save her. A century and a half ago, this powerful vampire and witch seduced Quentin with magic and turned him into a vampire to provide herself a mate, but he freed himself from her spell and fled her influence, knowing he'd left behind a powerful enemy. Returning now, seeking Kamaria's help, he must resist her attempts to enslave him again. However, the price she demands may cause him to lose the woman he loves. Reader Advisory: The battle to save a loved one is sometimes sexual. It can be hard, uncompromising and not for the faint of heart. Novel also includes a sensual scene of F/F petting.
