Today's tight labor market is forcing organizations to maximize the time they spend attracting and keeping top performers. Organizations that can attract, inspire, and retain top performers are in the position to beat out their competition. This is true both in market share and being able to draw outstanding employees.

This book is for individuals with training responsibilities who are looking for tools to help their managers, supervisors, and/or team leaders interview, hire, and retain top performers. If you or someone in your hiring system has limited experience in interviewing and hiring, this book will help you and your organization to be more proficient in hiring practices. Includes over a dozen job aid templates for recruiting, hiring, and retaining top performers. Author: Ennis, Sarah J. Publisher: HRD Press Illustration:
