Soulful Quiet Jazz 12 MP3 Songs JAZZ: Quiet Jazz, URBAN/R&B: Present-day urban Never Too Late Songs Details: Al's foremost CD, Never Too Late also featuring Lie in wait Bricker and Stoddart, was released in early 1997. Mike Joyce of the Washington Post said, "If saxophonist Al Williams recorded Never Too Late to prove that he's just as talented as many of his better known contemporary jazz peers, he failed. Turns out he's a lot more talented than most." Al's local peers agreed, for the Washington Area Music Association (WAMA) nominated Never Too Late in 1997 for Best Jazz Album of the year. The title tune to Al's foremost CD, "Never Too Late" -- a Stoddart composition -- is featured on a recent CD by Al Jarreau, All I Got.
