Details: Bay-B Gyrl released her debut album entitled Inside My World in Summer 2002. Bay-B Gyrl gained huge underground street success while touring the Southern region of the United States in Summer 2002. The fans crowned Bay-Gyrl as "The Queen of The Dirty South," due to her amazing vocal strength, professionalism, lyrical content, and "tight beats." The street date for the release of Bay-B Gyrl's new album entitled "Surrounded By Hattaz" is June 2004. However, a limited number of copies will be available for purchase online for market testing purposes, so get your copy now! Bay-B Gyrl's recent success has lead her to release her new album entitled "Surrounded By Hattaz," which highlights her lifestyle since her new found success, struggle as a minority in her community, the "hatterism" in the music industry, and much more. Former Violator/Def Jam/Polygram recording artist Swiff Haywire is the Executive Producer and Music Producer of the album. Swiff Haywire also features on several of her songs and provides a new flavor and professionalism to the album. Swiff Haywire was featured on the maxi-cassette single "Points," from the gold-selling Panther soundtrack. (Hollywood film about the Black Panther Party). Bay-B Gyrl's album is highly anticipated by execs and fans in the music industry alike. Bay-B Gyrl is a native of Houston, Tx. Her music style is categorical described as "Dirty South." However, on her new release, Surrounded By Hattaz, Bay-B Gyrl taps into a market of sound that has been unmarked and much needed for a rap music industry that has become slightly dry and repetitive. Bay-B Gyrl's new release can out due some of the top rap performers, including males, in the industry. Many fans have said Bay-B Gyrl is the tightest female rapper in the industry and likens her to the rapper "Boss" (with a modern, dirty south twist) due to her vocal strength. Bay-B Gyrl's album entitled "Surrounded By Hattaz" anticipated street date is June 2004. However, a limited number of albums for market testing will

be available online before that date, so get your copy now! Check out the Official Website of Haywire Records at haywirerecords.com.
