

Mp3 Brian Zeleniak - I'll Be There

[DOWNLOAD HERE](#)

Soft Rock male solo artist with astounding hooks and melodies. The guitar work on this CD puts this guy in with the all time greats. Excellent reviews from two time grammy winner Howie Lindeman and other industry professionals. 10 MP3 Songs EASY LISTENING: Soft Rock, POP: Delicate Details: Brian Zeleniak has been a guitarist for 36 years. He spent the eighties mostly on the road with the northwest Rock Band Sniper. He has been a studio and live musician mainly around the western US. Brian is an excellent songwriter of many genres and has been featured on national and international radio. The I'll be there CD was recorded in his home studio. Brian did all of the instruments and vocals himself using Cubase VST. The CD was mastered with Samplitude Master. His web is bzsounds.com. He currently plays with Blue Deville (bluedevice.bzsounds.com) and can be seen in live shows quite often. His current recording projects are "Acoustic Knight" - an instrumental all acoustic guitar compilation and Blue Deville.
