Contemporary Gospel music that will inspire and fill you with love. 15 MP3 Songs GOSPEL: Contemporary Gospel, GOSPEL: Traditional Gospel Details: Byron Gibbs was born in Sharon, PA in 1962. He was born into a musical family, the seventh of nine children. He began singing at the early age of six. He has been inspired by God to write music since 1980 and has composed over 100 songs since then. This is Byron's first recording. A LETTER TO ALL, I believe in God the Father, Son and Holy Spirit. Through perseverance and patience I am and have been brought from death to life from sin to righteousness and determined to continue the good fight of faith in Christ Jesus. I believe the Lord is propelling me to this place as one of his many messengers and I accept this call on my life. James 1:1-5 ref Recently God has shown me the importance of my struggles. Without them you can't be as effective in helping others through theirs. Yes, I do count it joy, all joy when since I have and am making it through life's struggles by faith. Perseverance is an important part of this success. Had I not been subject to trials no revelation would have come. You have to go through to get through to others. Unless coal is subject to pressure a diamond will not appear. Unless gold goes through the fire it is not purified. The key word is through. Many see the pressure and the fire ahead and stop or turn back but I say to you, "Don't." Stand and be counted as one who has gone through; for it strengthens you for the next obstacle. Music is inspired by bad as well as good times. Mountain-top experiences as well as valley experiences. Hence a song is born. My prayer is that all who hear this record will be encouraged, inspired and as blessed as I am each time I listen to it.
