Look through the eyes of a toddler, ready to folk stomp her way to the top of a mountain. D. Jays organic songwriting approach respects the young listener with irresistible melodies. 10 MP3 Songs KIDS/FAMILY: General Children's Music, FOLK: Folk Pop Details: "D. Jay has a unique take on melody and especially harmonies". freekidsmusic Having been part of the Indie Rock scene in the mid-nineties to early 00', Dennis "D. Jay" King and his band-mates schooled themselves on the, "Do it yourself" music ethic, by playing gigs from CBGB's to New England coffee shops. You could still hear the band's music and songs in shows such as, the Discovery channel, TLC, VH1 and MTV. After the "Alternative Rock" craze settled a bit, D. Jay continued to write music on his two string guitar, but with his family and friends in mind. Now he finds himself creating his signature style of broken-folk-stomp for the whole family. When he is not visiting the farm with his family or playing music, he works as a special education teacher in a northern New Jersey public school. His original music for kids is a perfect blend of folk-pop wanderings and organic song writing, which respects the listener. "As a public school special education teacher, I have had a true privilege to spend time with great kids, but my biggest musical influence is my family. I really enjoy writing and playing this form of music that has opened my eyes to a new world of adventure and surprise. I hope you enjoy it as well. " D. Jay
