Extra cool track." "The beginning of this song was coolness. Oh wow... this is REALLY good. The beat is so catchy. Oh and the chorus! This is my favorite track of yours. I love everything about it. It's catchy, never gets boring, beat is awesome, lyrics are rockin, voices sound perfect, great effects, great transitions. Oh god... i have to sit down." On "Broke Ass Pimp": "Broke Ass Pimp is the #2 on my fav's coming out by you guys. Keep it out there and crazy and you got my ear. I have been showing all my friends and they all love it. DEFINATELY an excellent song to bust you out of whatever state of mind you're in. Good high energy songs for drivin to College in the morning."
