

Mp3 Jan And Joe Nethery - Coming Home: Songs Of Faith

[DOWNLOAD HERE](#)

A unique blend of folk, country, bluegrass, and gospel with some occasional reggae thrown in just for fun. 14 MP3 Songs

GOSPEL: Country Gospel, **ROCK:** Acoustic Details: As a brother/sister duo, we have been singing and writing music together since early childhood. In many ways these songs read like a roadmap of our respective spiritual odysseys over the years. The songs on this album were written from the heart, and tell the simple story of God's love. It is only by His grace that we have made it this far on life's often tumultuous journey. Every song on the album was written, arranged and performed by brother/sister recording artists Jan and Joe Nethery. Our multiple genre music crosses all denominational boundaries - in fact people from all faiths, even those with no faith, have expressed how much our music means to them... We hope "Coming Home: Songs of Faith" blesses you as much as producing it has blessed us.

REVIEWS: "The album is wonderful.....I love their work! I'm enjoying the CD in my classroom now--a bit before kids arrive and on my prep period. I believe it helps soothe me!" S. (teacher of students with special needs) "This is good! I like the album very much and am touched by the sincerity of the music. You write good songs, sing well, and we like your distinctive style of music. The instrumental work is great, too. I was privileged to work with some very good guitar pickers....singing with Buddy Holly's guitar, Sonny Stewart's, Billy Grammer's, and Randy Connor's. I hope you achieve great success!" J.P. (professional musician) "Wow! The CDs came quick! Received them today. I'm listening to one right now...it's even more enjoyable than I expected, and I expected a lot. Thanks for giving this to the world." T. (published poet) "Got the CDs a couple of days ago and were sitting down listening to it....boy, we really enjoy it. You guys did a really good job. We'll probably order some more for Christmas presents....it's kinda special knowing the artists!" R. M. (professional musicians) "You guys are the best! I just wanted to say thank you, I love the CD....especially the track "Heaven's Child" (written in memory of

Jan's child who died)--Jan, it makes me want to cry as I can feel the love in every note." Gail from London
