Related styles: FOLK: Fingerstyle, FOLK: Folk Blues Details: Nowhere else will you find a collection of songs about dancing centipedes, bikini waxes, Prozac, Lorena Bobbitt and more! This highly entertaining collection of original songs exemplifies Hopes motto: Give me levity or give me death. No, wait...I didnt mean that. What People are Saying: Her mom: How can you embarrass yourself like that? Her son: My mother writes dirty limericks. E.... Her sister: I always knew she was strange. Her boyfriend: She makes me a better man. Her shrink: Highly therapeutic! Chimp the cat: Hey thats me on track 5! Master Mikiabis: "Hen pifu ni" Her broker: Buy this CD. Buy many copies. About the Artist: MWF, Capricorn with Libra rising, loves sunsets and very short walks, gluten free, closet mystic, favorite quote: If you cant learn to do it well, learn to enjoy doing it badly. (Ashleigh Brilliant) Great guest singers include: JB WHITE (#2 #9), SEAN INGOLDSBY (#3), ROBBIE SHEPPARD (#4), DAVE SHEPPARD (#5), SMITTY WEST (#7) and CLIFTON GORE (#11). Contributing musicians include: NEIL McFADDEN on trombone, SEAN INGOLDSBY on bass and drums, YUE DENG and JOHN ZERETZKE on fiddle, KAREN ORSER on banjo and TOM BALL on harmonica. HOPE manages to play all the other instruments, much to the amazement of all who know her. Song Notes: #1-5 were inspired by the bizarre and busty rubber figurines made by the wacky folks at Accoutrements Inc. called The Invasion of the Monster Women (and sadly no longer available, unless you want to order \$10,000 worth. Thats a lot of bugs). #6: How many old time song titles can you find in Fiddler Man? (Hint: more than 4, less than 6) #7: The Citation lyrics were written by my wunderkind son, Joshua, when he was in high school. The nut doesnt fall far from the tree. #8: The Passion of the Drama was the result of asking a friend if she was still going out with her on-again

off-again boyfriend and she replied, Ummm, I dont remember. #9: Your Cinnamon Buns was written on a restaurant napkin at breakfast. Guess what we were having? (wrong--- it was eggs and potatoes) Note to parents: you might not want to have to explain tracks 10 14 to the kids. #10 Prozac Nation: Recent tests are finding pharmaceuticals in our water supplies. Scary! My first version of the chorus went: The whole worlds gonna get happy The whole worlds gonna get high Cause were pissing out our anti-depressants Into the water supply! #11: Love Trigger Clift and I went to a Valentines Day party where you had to come as a famous couple, so we chose Dale Evens and Roy Rogers. Our stick horse Trigger stole the show. Pinch his ear and he whinnies and gallops (you can hear him on the end fade out). #12: Menopause Blues: This whole CD is a result of em! #13: No Trim: If you think Brazilians only live in Brazil, youd better ask someone about this. #14: Lauries Limericks: E-mail me if you want to hear my favorite limerick. It is way too disgusting to put in the song! #15: Write your Own Limerick: I double-dare you!
