This is music with various flavas in it.... 17 MP3 Songs HIP HOP/RAP: Rap Details: L.O.S.G. has just been signed to a 10 song production agreement with the Wisconsin based label Sidetraxx Records, home to Legends like Jonnie Gee, Bizzy Bone, double R, Calis Bain, Homicide, Apollian and many more. Best known for his hot tracks in the Midwest, as well as his great live shows, L.O.S.G. is about to be one of the greatest stories lived in today's rap game, and this time it's told from a rap artist life on the bricks and how he became up in the Midwest. In the midst of a hip-hop era cluttered by Midwest and Southern crunk hits surrounded by the West Coast gangster rap sound, there has arisen something new, something different, something in the mix that's hot delivered lyrically and "Fresh Out Da Water" by L.O.S.G. L.O.S.G. and his smoothly rhythmic delivery and articulate lyrics that represent the new cutting edge in hip-hop. Refusing to follow any trends of his fellow rappers, L.O.S.G. slices his own path telling personal stories and social observations in an honest yet positive manner. Featuring real instrumentation and hook-laden songs with emotional depth. "Fresh Out Da Water" is the debut album from the young artist with a passion for rap, and even stronger love for life. The gloom and doom of the past has been ripped away: the curtains are torn open letting the sunlit rays of optimism and good vibrations beam through. It's no surprise then, that industry professionals have dubbed them the "Doanld Trumps" of hip-hop. Be on the look out for "Living On Sinning Grounds" just released 1/15/06. L.O.S.G. songs have blasted through the airwaves of major commercial radio stations such as: WNOV 860 of (WI), WTMX (Chicago) and most Midwest radio stations. Burning up request lines with the intensity of being named one of the hottest rappers on late night programs. If that wasn't enough, L.O.S.G. has also signed a digital download agreement with, ingrooves.com, Perhaps best known for their clients hip-hop rap, Most Def and Nappy Roots becoming the first Midwest indie artist to have his own ring tone. Don't miss L.O.S.G.'s video for
