Hailed as "astonishing" by the Globe and Mail and compared frequently by critics to Lucinda Williams and Emmy-Lou Harris; Fina has a reputation for silencing audiences with her heart-felt delivery of love's broken promises. Recorded in 3 days with Torontos The New Kings and producers, Michael Louis Johnson and Carl Andre Petzelt; Fairytale is an eclectic mix of stories born of Finas personal relationships and search for the knight in shining armour. Best enjoyed as a private listen with your favorite bottle of bourbon, Fairytale is a journey for the lamenting heart. A songstress who devotes her life to art, music and the pursuit of dreams come true, Fina works steadily to produce works of intimacy. In 2005, Fina lent her vocal styling to Amer Diabs There/After, which was praised by UKs Country as worthy of 2006s Top 10.
