CD Fans and Reveiws: I love your new CD. The first track [Mist Covered Mountains]is incredible! I especially like "The New Colossus," "US Reggae," and "New Wave." BH The New Colossus is amazing! The title track and US reggAe both have me reaching for the repeat button. Time Out and the longer version of Itchy Fingers are pure fun. The Gaelic pieces are simply beautiful. The album has been playing nonstop on my G5 at the office since it came in. GS
