

## Mp3 Newton Dominey - Heater

[DOWNLOAD HERE](#)

Melodic power pop reminiscent of Big Star and Lemonheads that is at once familiar yet interesting. 6 MP3 Songs ROCK: Modern Rock, POP: Power Pop Details: "Newton Dominey has some heavy hitters in his corner these days. Folks such as Mack Starks, Neilson Hubbard and Brian Bequette are fans and collaborators, and Dominey's smart power pop is winning favor in Music City. Tonight at 12th Porter, Dominey performs with much buzzed-about opening act Kate York. Rocker Garrison Starr may even show up and play a few songs." --The Tennessean "Dominey is an up-and-coming local pop-rock artist who is certainly running with the right crowd (Mack Starks, Neilson Hubbard) and whose initial recordings are already stirring up significant interest." --Nashville Rage "Dominey is an intriguing up-and-comer in that whole crosspollinated pop-rock-Americana-folk mixed bag genre inhabited by his talented pals Mack Starks and Neilson Hubbard (who produced Dominey's debut disc)." --Nashville Rage
