Positive, meaningful, and energetic songs along with some alternative styles that make the band who they are. Listen for yourself and enjoy... 11 MP3 Songs GOSPEL: Contemporary Gospel, ROCK: Acoustic Details: Release started back in 1998 when lead singer Gabe de la Garza met up with drummer Gabe Gutierrez and Bassist Randy Sanchez for a couple of jam sessions. The guys later formed a band with no name just to do shows at different churches and youth functions. Guitarist, Mark Montes joined in 2003 after the band parted ways with the original guitarist. The name "Release" came from the action of releasing our worship to our Creator. You see God doesn't force us to worship, He gives us the opportunity to. So we as His creation can Release what we have inside of us. To some it's words, to some it's tears, but to us it's about our music. We literally want to Release our songs so people can see an awesome living God through our Music. Up to date, Release has played at more than 100 venues
