

Mp3 Rick Founds & Dave Wold - Guitars & Grapes

[DOWNLOAD HERE](#)

If grapevines could make music, they'd probably sound something like this disk; hinting of Santana, Peter White, Wes Montgomery, George Benson, maybe a little Clapton. 8 MP3 Songs EASY LISTENING: Background Music, JAZZ: Smooth Jazz Details: Veteran songwriter and guitarist, Rick Founds, has put together an artful blend of new instrumental material... This is music that makes you smile from the inside out. "GUITARS GRAPES" features the fret board virtuosity of Dave Wold, one of Southern California's most skillful and versatile guitarists. Rick and Dave, with their guitars, have painted a sonic canvas of colors and textures that refresh the soul, like a breath of clean air. Each song takes its name from a different variety of the "fruit of the vine", offering unique flavors, from smooth and subtle, to bold and robust. Ahhh life! here's to you.... relax and enjoy it, with a taste of "GUITARS GRAPES"!
