If Mary Chapin-Carpenter, Janis Ian and Joan Armatrading all sat together to write songs, this is what it would sound like. Optimistic, with a hint of tragedy and heartbreak. 11 MP3 Songs FOLK: Modern Folk, FOLK: Folk Pop Details: This is the second independent release from songstress, Serina Jung. HERE'S WHAT THEY'RE SAYING ABOUT SPARROWS: "Serina Jung is a masterfully poetic songwriter whose haunting, beautiful melodies and lyrics touch the heart and mind." - Paul Gerardi / host "The Acoustic Highway Radio Program", WPRK-FM "...unique storytelling perspective...sound fest of an album with its tales of stranded angels and life survivors. A real chameleon and an ace production.... Ageless and timely." - Bing Futch, reviewer for Ink 19 - Dark's Corner "Although the title of the CD is 'sparrows', Serina's unique vocal style and writing have her soaring with the eagles." - Ron Feldman, Independent Producer "Back to the basics... the way records used to be made. Where the songs, in their most organic form, move the soul.... What a breath of fresh music !!" - Robert Wawoe, Divi Records "Serina is so charismatic you don't need video to see her songs come to life." - Bob Katz, Mastering Engineer, Digital Domain "Sparrows, a wonderfully sincere journey through a sonically and lyrically creative landscape." - David Wallace, Audio Engineer
