

Mp3 Shane Barry And The Distractions - Radio Friction

[DOWNLOAD HERE](#)

"The bastard children of the Beatles, Motown and the Clash licking ice-cream in the summer rain." Pure pop perfection with surf keyboards, flowing string sections, acapella breaks and brass attacks. 11 MP3 Songs in this album (43:58) ! Related styles: POP: 70's Pop, POP: Pop/Rock People who are interested in Wilco Supergrass Spoon should consider this download. Details: Since they began, Shane Barry and the Distractions have been ignoring the disco beat, the 1,2,3,4's and spiked guitars of modern music's biggest culprits. Instead, they have fashioned their sounds from the golden glare of 1970's fm radio. The original lineup of 4 has expanded to include a brass section with all the moves of the Stax and Motown back catalogue! RADIO FRICTION, their debut album, with its chocolate-rich production, has taken a year and a half to record. With it's surf keyboards and synths, flowing string sections, acapella breaks and brass attacks, it is the glorious sound of a band tuned into a broken radio dial.
