He delivers "history, humor and the human condition" live in concert. Tom takes a musical look at the everyday truth of life and shares the experience. 11 MP3 Songs COUNTRY: Americana, FOLK:

Alternative Folk Details: Tom Shed delivers "history, humor and the human condition" live in concert. Tom takes a musical look at the everyday truth of life and shares the experience. Tom Shed tours extensively in the U.S. and throughout the world, bringing a Southerners view to our lives. "Better Than Good", confirms speculation about love at first sight, "Fear" an emotion which controls all living things, Does it hurt to Laugh? a questionnaire about marriage, are some of the human conditions examined by Tom. Don Grooms tale of the murder of a Florida Senator in 1953, and a state park named for a doomed hunter take a look at life in Florida. Will McLeans classic Dance of the Sandhill Cranes reflects on the path to extinction and how we can grow by observing Nature. Experience Tom Shed in an evening of stories and songs he calls history, humor and the human condition. Visit his website at tomshed.com
