Mp3 Trancendental Anarchists - Post Human Blues

DOWNLOAD HERE

Ambient 11 MP3 Songs ELECTRONIC: Ambient, ELECTRONIC: Soundscapes Details: The Trancendental Anarchists produce electronic ambient and space music. This is electronic music of unparalleled purity and emotion. The Trancendental Anarchists create music which is simultaneously mediative and romantic and which creates a delicate cocoon for the imagination. Since the early 1990's, Trancendental Anarchists tracks have been released by Volition Records, Silent Recordings (including the Cluster Zone album), Think Communications (as Qpod) and Blatant Propaganda. Since the late 1990s Trancendental Anarchists tracks had been available on mp3and other mp3 sites, getting tens of thousands of downloads.
