This album has a unique R&B soul flavor. 15 MP3 Songs URBAN/R&B: Soul, URBAN/R&B: Rhythm Blues Details: URBAN THEORY Isaac Johnson and Giovanni met on July 1st, 2005. Together they merged their talents to create a unique sound in which they could show the world their theory, Urban Theory. Urban Theory was created on the basis of their point of view on life, the world around them, and the world in general. With their first album, Urban Theory 101, Isaac and Giovanni reach crowds of all types delivering the message behind their music in hopes it would make a difference in someone else's life. Music binds them together and through this bond lives an uncalculated amount of harmony, passion, and rhythm that will break barriers and take you to a place that you've never been before. Urban Theory? It's a nature, a way of being, and a way of living only Isaac and Giovanni know how to explain. It is their way of viewing the world through imperfect eyes, yet depicting the imperfections of life and vividly showing the world through chords on a piano and through their vocals on each track. Not only are they talented, they provide meaning to their music that truly leaves you thinking
