This ain't country, its IRON COUNTRY. Smart and sassy for fans of Lucinda Williams, Wilco and Son Volt  
10 MP3 Songs COUNTRY: Traditional Country, COUNTRY: Country Rock Details: Spinout Records  
(spinoutrecords.com) invited folks from the Cuyuna, Mesabi and Gogebic Iron Range areas to help record  
a new compilation called IRON COUNTRY. Over the past year, pickers and gridders from the region  
congregated at Sacred Heart Studio (sacredheartstudio.net). Located in a de-sanctified cathedral in the  
iron-shipping hub of Duluth, inspiration was drawn from the studio's view of ships arriving and departing  
the oar docks that line the harbor on Lake Superior. Iron mining's constant reminders are ever-present  
with huge tailing piles, floating oar boats and long trains spilling oar pellets as they roll through the woods.  
The artists on this record grew up surrounded by mining while they shoveled snow, cut wood, picked  
berries and partied in the pits. And they watched the mines falter and change the way the area felt about  
itself. Those feelings and experiences come out in their music and give us feeling for one of America's  
most sustaining cultures; Iron Mining. Duluth artist Chris Monroe created the cover art. Chris also drew  
the covers for Spinout Records' Duluth Does Dylan (2000) and Chilly Northern Women (2002)  
compilations. As well as being a respected fine artist, her comics are featured in the Minneapolis Star  
Tribune - Free Time and Duluth's Ripsaw News. Ripsaw News contributor and UMD professor Chris  
Godsey wrote the liner notes. Iron Country Acts Highway 16 - Haley Bonar haleybonar(Duluth) I'll Be
