Matador from Another planet is a haunted mind movie that paints word pictures in a sonic vorkapitch. 18 MP3 Songs SPOKEN WORD: Poetry, SPOKEN WORD: With Music Details: Vincent Quatroche has been recording his work since the late 70s. This current project is the 5th in a series with long time colleague, friend and collaborator Dan Berggern. Quatroche is a local educator de-jour and poet/storyteller. "Matador from Another Planet is a mind movie that paints word pictures in a sonic vorkapitch. If Ken Nordine, Tom Waits, Rod Serling, Charles Bukowski, and Rod McKuen's "ids" became scrambled in a post modern auditory blender then the ghost of Vivian Stanshill would be included to produce fresh "pink half's of the drain pipe" with Eno nodding in agreement while the residents scrambled for the libretto. In short, this is your late night companion in the car or by candlelight for libation and reflection.
