Unlike some other energy entrainment music, these sessions do not require headphones or any special attention. Play the music and enjoy. Rock in the Garden, Get crazy with the Crystals, and Dance with the Stardust. Let the Crystals enjoy the music with you. Add this music to your collection to enhance you appreciation of the energy available in these gems of the earth. Moldavite is considered a new age stone. It is a form of tektite (formed when a giant meteorite struck the earth. It is said to be of extraterrestrial origin. It is rare and will eventually become extinct. It has the ability to enhance the vibrations of other stones due to its extremely high vibration. It opens and aligns all the chakras. It is said to bring you into communication with your higher self and the Ascended Masters. Moldavite when held up to the light appears translucent and if you gaze upon it, it is said to shift your consciousness. Celestite is a creative stone and one that reveals truth. It stimulates clairvoyant communication, dream recall and out of the body journeys. This high-vibration stone will assist spiritual development as it guides you through specific spiritual dimensions. Phenacite has one of the highest crystal vibration that has ever been discovered and can connect with the realms of the Ascended Masters. It can also help in interdimensional travel. It can teach the Law of Attraction which urges you to keep your vibration high and assure you only send out positive energy into the universe. Translucent Selenite has a very fine vibration that allows for great clarity of mind. It enables one to open the crown chakra and access the angelic realms. Psychic work is enhanced when each person holds a piece of Selenite. This is an ancient stone and probably near the most powerful crystal found. It helps in

meditation and all spiritual work. Amethyst is a another powerful stone but this is also a protective stone. It aids in protection from psychic attacks and turns negative energy into positive love energy. Because it enhances higher states of consciousness, it is an excellent stone for meditation. It opens the third eye and is a good stone for both intuition and scrying. lolite is a vision stone. It activates the third eye and assists with visualization as well as intuition. It aligns all the chakras and stimulates the connection to your own inner knowing. It plays a large part in Shamanic ceremony and any journeys out of the body. It re-energizes the auric field. Labradorite is a iridescent and highly mystical stone. It can raise consciousness and connects with universal energies. It grounds spiritual energy into the physical body. It holds knowledge of the mysteries and can assist in accessing higher consciousness. It stimulates intuition and is a bringer of light. Prehnite is said to be the crystal "to heal the healer." It enhances visualization and induces deep meditation. It is said to connect with Archangel Raphael and to other spiritual and extraterristrial beings. When in contact with these divine energies, it enhances intuition and psychic gifts. This is a calming stone and makes a good stone to use to form a grid around a room. Calcite is both a powerful cleansing stone and energy amplification stone. Carrying or wearing calcite will automatically boost your energy. It easily cleans a room of negative energy. Calcite is also said to help in spiritual growth and higher consciousness while increasing psychic gifts. Chalcopyrite is an iridescent stone that enhances your ability to contact ancient cultures of the universe. It is known as the 'stone of the mystic" as you are connected to the infinite number of energies of the universe that bring information of the self and the universe into your consciousness. It enhances your abilities of intuition and perception. Apophyllite is a good conductor of energy and a carrier of the Akashic Record. It has the ability to create a connection between the spiritual and physical worlds. Being connected to the physical world, it can keep you grounded during out-of-the-body experiences. Apophyllite is an excellent stone for scrying and increasing intuition. Unlike some other energy entrainment music, these sessions do not require headphones or any special attention. Play the music and enjoy. Rock in the Garden, Get crazy with the Crystals, and Dance with the Stardust. Wizardnow is an Intentional Computer Music Composer. He uses samples, guitars, keyboards, software synthesizers, Brainwave Entrainment, and Magick to create each unique experience. People who are interested in Tangerine Dream should consider this download.
