

Mp3 Yves Giraud - Flow

[DOWNLOAD HERE](#)

Ambient Jazz, smooth, relaxing, compelling nylon string guitar melodies over a veloured texture of sounds and backing tracks. 10 MP3 Songs NEW AGE: Ambient, NEW AGE: Meditation Details: Yves Giraud has been living in the United States for the past 18 years. He started playing guitar more than 20 years ago, played in many bands, from Rock to New Age and performed hundreds of shows over 2 continents. He is a solo performer as well as currently a bassist/singer in a south Florida band, "the Spoon Benders". As a solo songwriter/musician, he plays classic nylon string guitar over his own sound tracks. Creating a blend of smooth jazz and ambient melodic new age. "This CD is a first attempt to create a musical mood I have been searching for but never really found. I recently decided to create what I wanted to hear and hope others will enjoy these tracks as much as I have making them." We thank you very much for your time and (if you buy a CD) thank you for your purchase! :) For more info on Yves Giraud, please go to: myspace.com/yvesgiraud
