Everything To Him' by Elizabeth Coldwell What do you give the man who has everything? The opportunity to spend a week sharing his wife with a hot young journalist. Felix Meredith has everything. The owner of a multi-media company worth billions, he's come a very long way from the boy who started a record company in his university dorm room. He owns properties on three continents and his sex life with his wife, Amber, is as hot and inventive as it's ever been. But despite all that, he's still bored, and in need of a new challenge. When Felix is contacted by Josh Broughton, who writes for glossy weekly magazine Glitz! and wants to profile him in depth, he's initially reluctant, but invites Josh over to his home for a preliminary chat out of courtesy. Josh turns out to be anything but the average hack-he's young and attractive, and it's obvious from the moment that Josh and Amber meet that there's a sexual spark between them. Much to his surprise, Felix isn't angered by it-if anything, he's turned on, fantasising about Josh having sex with Amber while he watches. He decides that he'll let Josh into their life for a week, and the lad will get unrestricted access to everything for that time-including Amber. What follows promises to be the most unforgettable week of their lives, as Felix, Josh and Amber explore all the things two men can do to a woman in bed, and Josh is given a unique insight into what it's really like to have everything. 'Lucky for Him' by Rachel Randall Take the risk to win the prize. Industry rumours whisper that Argentinian billionaire Renzo Vega has invested in a secret project known only as 'Lucky'. And as the Mediterranean heat intensifies, he discovers that Lucky's not only real, she's a sexy ex-hacker with a talent for pushing all of his buttons. She and Renzo want Rob to be their onboard entertainment. Now Rob just has to survive their attentions long enough to close the deal-and to make it back to port in one piece.
