

The Motor Maids In Fair Japan - Katherine Stokes

[DOWNLOAD HERE](#)

"The Motor Maids are off again," announced the West Haven Courier one morning, as if every citizen in the gray old town on the coast was not already well aware of it. The four famous travelers and their chaperone, Miss Helen Campbell, were always off somewhere in the red motor car. If they were not making a voyage to England with the "Comet" stored in the hold of the ship for immediate use on arrival, or taking perilous journeys across the American continent in the faithful car, they were making excursions to Shell Island or Seven League Island, or down the coast to the Sailors' Inn. "Where is it to be this time, Nancy-Bell?" Captain Brown had asked his daughter when she had broken the news to him that she must give up the spring term at High School for something far more educational than mere books. Perhaps the sea captain had intended to be stern when he asked that question; but Nancy had her own peculiar methods of dispelling sternness. A beaming anticipatory smile irradiated her face and scattered parental disapproval even as the warm rays of the sun scatter the morning mists. Author: Stokes, Katherine
