"Commit the oldest of sins the newest kind of ways," ~William Shakespeare, playwright, poet, badass of sin. Because being good is overrated! Â¢ The only book on the market that encourages a daily program of transgression Â¢ Annually, 26 percent of Americans try to give back to their fellow man by volunteering. This is for the other 74 percent (Philanthropy.com) Â¢ Adams has a long list of sinfully bestselling books, including A**holeology and WTF For those ready to drop-kick their inhibitions and tap their inner sinner, here's a guide to giving common civility a kick in the junk. Life expectancy these days is 78.4 years. What's wrong with taking 365 days to go on a 24/7 bender? From having sex in the "quiet car" of the train to pairing a \$200 port with a \$2 slice of pizza or calling in sick to go to the beach, this is an everyman's (or woman's) guide to the sin of self-indulgence. After all, there are 77 other years to be good.
