Auto Launcher "Launch New Products & Direct Return Visitors To Certain Landing Pages Automatically"
Auto Launcher is a really unique and lightweight script that you can install easily in just a few minutes. This script can redirect return visitors to a new campaign, sales page, product launch or any other url you choose. The countdown to the auto-redirect starts the first time they visit a certain page and continues each time they return to that page until 0. Then they are automatically redirected to your new offer. This product comes with private label rights.
