Discrete And Continuous Nonlinear Schrodinger Systems

[DOWNLOAD HERE](#)

In this book, the detailed mathematical analysis of the scattering theory is presented, soliton solutions are obtained and soliton interactions, both scalar and vector, are analyzed. EAN/ISBN : 9780511059261 Publisher(s): Cambridge University Press Format: ePub/PDF Author(s): Ablowitz, M. J. - Prinari, B. - Trubatch, A. D.
