Here's A Quick And Easy Way To Discover Exactly How Many People Are Visiting Each Of Your Web Pages! Easy Web Visitor Counter is an easy to use tool for tracking the number of visitors to a web page or set of web pages. Simply upload the Easy Web Visitor Counter script to your web host and add a small amount of code to the web pages. The script page will then automatically maintain a count of the number of page views for each page and the number of new visitors (i.e. the number of people who arrived at your site on that particular page). This is a very simple solution for tracking your visitors. Install An Unlimited Number Of Times You can install your copy of the Easy Web Visitor Counter script as many times as you want, on as many sites as you want - all at no extra cost.
