Book one in the Blood Feud series. Mina Roarke has always been told she is special. In what way, she's never fully understood...until circumstances lead her down a path of adrenaline-charged danger and blazing sexual heat, and introduce her to a world she never knew existed. Mathias, a warrior for a secret shifter race known as the Coteri, has been ordered to protect Mina at all costs. Although his oath to protect her is paramount, can he rein in his animal instincts long enough to avoid claiming the one person he's forbidden to have?
