Rap from a different mind. 17 MP3 Songs HIP HOP/RAP: Southern Style, HIP HOP/RAP: Rap Details: More creative than the average. My style is southern because thats were I'm from(Arkansas). I was born and raised there but now I live in Georgia. I think the way I look at making a song makes me unique. The titles and concepts of my songs set me apart from the rest. I produce, write, rap, and mix my own music just like alot of other people. A man of many hats. In this day and age everybody and there momma is putting out a cd. So why will people keep coming back to my music? Because they will wonder what I will make into a song next!
